Hand made baked tortilla chips with our special family flavor recipe – 4 generations old! Uniquely delectable, savory, crunchy, light, airy and memorable. Delicious by itself or paired with a spread or your choosing. The way we cook the chips are unique too - more well done areas along with evenly baked parts to suit varying taste and texture preferences in one chip! We promise that anyone who tastes our family chips will not only always remember them but will be wanting more!

Available in Family Size & Snacking Size.

Continuing Mom’s tradition of creating new and unique tasting experiences, we are pleased to present the next of many more flavors to come: Mesquite BBQ with just a touch of heat for those who enjoy a substantial savory taste with a little kick to it.

Hand-prepared and cooked exactly the same way as our Originals. Robust, crunchy, flaky and memorable.

Available in Snacking Size.
